

Mystic Blends Oils

We had wanted to carry special blended oils for several years but until we found this company we had not seen any that we felt were of the quality to be in Pathways. These oils are hand-blended from traditional formulas on times appropriate to the lunar cycles and other planetary influences. There are no animal products used and no animal testing done by this company. They are intended to enhance and promote the vibrational energetic for which they are named. Available in clear glass ½ fluid ounce bottles. They contain dried herbs to enhance their unique vibrations. They are for external use only. Excellent for anointing candles and talismans these multipurpose oils are only \$6.95 each. When a carrier base oil is required, soybean oil is used. All information in chart below is from the manufacturer. Optional tester caps or droppers offered below.
