

2017 has been a year of reflection and of creating new memories. Our 30th birthday year (and celebration) brought us full circle - from Deborah's humble beginnings on a card table in her own home - to our current, permanent home here on Concord Village Ave. While continuing our efforts to bring in exceptional guest authors, artists and vendors, we continue in our own growth as well- while sharing that knowledge with you, our Pathways Family.

It is in that spirit, that we will endeavor to stretch ourselves in 2018 (and beyond) to make Pathways richer in knowledge, content and accessibility.

Thank you for your continued support.

In the Spirit of Peace, we remember:

I am the point of light within a greater Light.
I am a strand of loving energy within the stream of Love Divine.
I am a point of sacrificial fire, focused within the fiery Will of Divinity.
And thus I stand.

From the center which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.
Let Light and Love and Power restore the Plan on Earth.
