**Introduction to Theosophy w/Bill**

What is Theosophy? The core meaning of the word is Divine Wisdom. In the 1600's it was a word used to describe the wisdom of divine things acquired through mystical studies. In 1875, Madame Blavatsky built on this idea as she gathered ancient wisdom and modern ideas together to found the Theosophical Society. This international organization had a huge impact on astrology, Western spirituality and Western culture. **6:30-8:30 pm, \$25**

**Thursday, July 4**

**Pathways will be closed**

As Deborah had done in the past, we will be closed for Independence Day, giving our employees an opportunity to celebrate their freedoms and we encourage you to do the same!

**Pathworkings w/Bill**

We all know what a pathworking is, we just don't realize that we know it. Another term for this concept is "Creative Visualization." However, unlike picking something to work with as is done in creative visualization, an image is meditated on for each individual pathworking. Yes, we can write these ourselves if we choose, but there is an entire body of material to work with from the Western Esoteric Tradition in its collective symbolism. In this two-hour class, we will discuss pathworkings, as well as look at images and concepts that can be used. Finally, a guided pathworking will be held during the class. Handouts included. **\$25**

**2:30-4:30 pm, \$25**

**Sunday, July 7**

**Working with Pendulums w/Karen W**

Pendulum work gives us the opportunity to access wisdom and insight from deep within ourselves. People use pendulums to gain information previously consciously unknown to them through a reliable, repeatable method.

Learn techniques to get the best results from pendulum work. Included in the price of the class is a coupon for \$10 off the purchase of a pendulum plus a solid color satin bag.

Connect up with your own inner source of wisdom and power. **11 – 1:30 pm, \$35**

**Tuesday, July 9**

**Intro to Esoteric Astrology w/ Bill**

used for soul growth. This class will also reveal the role the Seven Rays play in the development of the soul, astrologically speaking, and how the two tie together. 2 hours . Note this class is now a prerequisite for "Esoteric Astrology - a 3 Part Series". **6:30-8:30 pm, \$25.**
