Why are you, You? w/Bill

Have you ever wondered why you are you? When you consider your past, do some experiences not blend with those of blood family members? When it comes to spiritual beliefs and practices do you find that your viewpoints and behaviors isolate you at holy days and family gatherings? In this 2-hour class, we will look at reincarnation from a spiritual and empowering perspective addressing what, exactly, makes us, us, and what to do from here **6:30-8:30 pm, \$25**

Tuesdays beginning, October 2

TAROT Cards and the Story They Tell w/Dana

You will gain a new perspective into the Tarot as we discuss the everyday meanings and insights the cards provide to guide you and others in their daily lives. We review the minor and major arcana, the court cards and their personalities, and focus on the story the cards tell in your spreads. With each session you have an opportunity to practice different spreads and do readings. The six-class series explores the Cups, the Swords, the Court cards, the Major Arcana, the Wands, and the Pentacles. **\$210 prepaid. 6:30-8:30 pm.**

Intro to Western Sex Magick w/Bill

A taboo subject, to be sure, Western Sex Magick is sometimes seen as nebulous or daunting when first looked at, and this is looking at it beyond just the sexuality and ethics on the surface. However, it is worth considering as a magickal technique because its potency can almost not be matched. The surprising thing about this technique is that anyone can do it, and it can manifest physical results when developed. In this two hour class, we will discuss different techniques, as well as what can be done and even how to do it! **6:30-8:30 pm, \$25**

Death, that great moment of transition, is a vital part of our life's experience. Some say it is the greatest experience as all that we have learned in this incarnation plays out before us. This is a class of looking at the death experience, from the esoteric anatomy and physiology to the journey-work of the Bardo and more. A look at Death as the great adventure that it truly is. **Offered once a year 5-7 pm. \$35, please register in advance, handouts.**
